

The Haight-Brown Vineyard Express

HBV joins with the Railway Museum of New England to bring you an afternoon of Fine Wines, Fine Food and Scenic New England Countryside.

Join us at the Thomaston Station where you will board a vintage rail car and set off for a 5 hour journey. While on the train, relax with a glass of wine and light Hors Des Oeuvre, while listening to some vineyard history and enjoying the local scenery. In East Litchfield, you will take a coach bus to the vineyard for a full wine tasting, tour and exquisite culinary reception. Your return trip will be a relaxing sunset train-ride back to Thomaston.

*Cost is \$75 per person, all inclusive
(includes souvenir HBV Wine Glass)*
